His Excellency Dr Mahmoud Ahmadinejad
President of the Islamic Republic of Iran
Nahad-e Riyasat Jomhuri
Tehran
IRAN

Your Excellency,

I was extremely pleased to learn of the international registration of the Kurdish horse (IKHC) (IRA).

It is a matter worthy of note that the Islamic Republic of Iran has been internationally recognised as having one of the oldest pure breeds of horses in the world today.

The Asian Racing Federation congratulates everyone involved in achieving this recognition.

Yours Sincerely,
