

His Excellency Dr Mahmoud Ahmadinejad
President of the Islamic Republic of Iran
Nahad-e Riyasat Jomhuri, Tehran, Iran

02/04/08

Your Excellency,

On behalf of Racing NSW I would like to congratulate yourself and the people of the Islamic Republic of Iran on the successful International Registration of the Kurdish Horse (IKHC) (IRA).

The potential of a healthy active horse industry to impact on the economic and social structure of any country has been well documented in recent years, with a number of studies detailing the socio-economic benefits.

The future for Iran given its strategic location and the immense interest generated by its neighbours in their respective horse industries is limited only by the imagination of those involved in establishing a viable horse industry.

Yours Faithfully
